

Q-Flex Touch Screen

- ◆ **You will run your production line with confidence**
- ◆ **No one can change your labels but the administrator**
- ◆ **Easy interface with system on the floor**
- ◆ **Run your automated labeling system with a memory stick**

Allow Quest Service Labs to take the pain out of your Print and Apply system and stop the mis-labeling of products.

No need for a complete costly wireless infrastructure to run your automated Print and Apply system.
